ATTACHMENT A – STATEMENT OF WORK

The Contractor shall: [REDACTED]

DELETE THESE INSTRUCTIONS All State contracts must describe the work to be performed in clear, concise and complete statements. Attachment A of the Standard State Contract should be used to detail the work to be performed or products to be delivered by the contractor. A well written description will include the schedule for performance, identification of project deliverables, deliverable milestones, and standards by which the contractor’s performance will be measured. This description of the work may also be referred to as the Statement of Work, Specifications of Work, or Subject Matter. Please refer to Appendix II for further guidance. The deliverables and milestones should be used to inform the payment terms in Attachment B. Attaching RFPs and RFP responses to contracts is not permitted. RFP responses can be long and complicated and may include both unnecessary information and introduce internally inconsistent terms within the contract.

The level of required contract compliance monitoring, if applicable, should be based on the assessment of the risk for delay or failure to deliver the services. In assessing the risk, agencies should consider factors such as: amount of funds involved; contract duration; contract complexity; history of the Contractor with State government; amount of subcontracting involved; and other relevant issues. Whether or not liquidated damages, service credits and/or retainage are part of the contract, the document should include a section that describes specifically how the Agency will monitor the contract for compliance.

Types of compliance monitoring processes and steps may include: (i) periodic contractor reports; (ii) invoice reviews; (iii) on-site visits; (iv) scheduled meetings; (v) audits; (vi) independent performance reviews; (vii) surveys of users/clients; and (viii) post-contract audit or review. This section may also describe a process for identification, discussion, and resolution of disputes between the Contractor and the State, both during the contract duration and after expiration.

NOTE: Additional guidance for drafting Attachment A is provided in Bulletin 3.5, Appendix II

Prison Rape Elimination Act (PREA)

Contractor will comply with the Prison Rape Elimination Act of 2003 (28 C.F.R. Part 115, Docket No. OAG-131, R1N1005-AB34- Dated May 17, 2012), and with all applicable PREA Standards, VTDOC Policies and Directives related to PREA for preventing, detecting, monitoring, investigating, and eradicating any form of sexual abuse within VTDOC. Contractor acknowledges that, in addition to “self-monitoring requirements” VT State staff will conduct announced or unannounced, compliance monitoring to include “on-site” monitoring. Failure to comply with PREA, including PREA Standards and VTDOC Directives and Policies may result in termination of the contract.

8.4 *Business Associate* shall notify *Individuals* of *Breaches* as specified in 45 CFR § 164.404(d) (methods of *Individual* notice). In addition, when a *Breach* involves more than 500 residents of Vermont, *Business Associate* shall, if requested by Covered Entity, notify prominent media outlets serving Vermont, following the requirements set forth in 45 CFR § 164.406.

9. **Agreements with Subcontractors.** *Business Associate* shall enter into a Business Associate Agreement with any *Subcontractor* to whom it provides *PHI* to require compliance with HIPAA and to ensure *Business Associate* and *Subcontractor* comply with the terms and conditions of this Agreement. *Business Associate* must enter into such written agreement before any Use by or Disclosure of *PHI* to such *Subcontractor*. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the Use or Disclosure of *PHI*. *Business Associate* shall provide a copy of the written agreement it enters into with a *Subcontractor* to Covered Entity upon request. *Business Associate* may not make any Disclosure of *PHI* to any *Subcontractor* without prior written consent of Covered Entity.

10. **Access to PHI.** *Business Associate* shall provide access to *PHI* in a Designated Record Set to Covered Entity or as directed by Covered Entity to an *Individual* to meet the requirements under 45 CFR § 164.524. *Business Associate* shall provide such access in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any request for Access to *PHI* that *Business Associate* directly receives from an *Individual*.

11. **Amendment of PHI.** *Business Associate* shall make any amendments to *PHI* in a Designated Record Set that Covered Entity directs or agrees to pursuant to 45 CFR § 164.526, whether at the request of Covered Entity or an *Individual*. *Business Associate* shall make such amendments in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any request for amendment to *PHI* that *Business Associate* directly receives from an *Individual*.

12. **Accounting of Disclosures.** *Business Associate* shall document Disclosures of *PHI* and all information related to such Disclosures as would be required for Covered Entity to respond to a request by an *Individual* for an accounting of disclosures of *PHI* in accordance with 45 CFR § 164.528. *Business Associate* shall provide such information to Covered Entity or as directed by Covered Entity to an *Individual*, to permit Covered Entity to respond to an accounting request. *Business Associate* shall provide such information in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any accounting request that *Business Associate* directly receives from an *Individual*.

13. **Books and Records.** Subject to the attorney-client and other applicable legal privileges, *Business Associate* shall make its internal practices, books, and records (including policies and procedures and *PHI*) relating to the Use and Disclosure of *PHI* available to the Secretary of Health and Human Services (HHS) in the time and manner designated by the Secretary. *Business Associate* shall make the same information available to Covered Entity, upon Covered Entity's request, in the time and manner reasonably designated by Covered Entity so that Covered Entity may determine whether *Business Associate* is in compliance with this Agreement.

14. **Termination.**

14.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by Covered Entity or until all the *PHI* is destroyed or returned to Covered Entity subject to Section 18.8.

14.2 If *Business Associate* fails to comply with any material term of this Agreement, Covered Entity may provide an opportunity for *Business Associate* to cure. If *Business Associate* does not cure within the time specified by Covered Entity or if Covered Entity believes that cure is not reasonably possible, Covered Entity may immediately terminate the Contract or Grant without incurring liability or penalty for such termination. If neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary of HHS. Covered Entity has the right to seek to cure such failure by *Business Associate*. Regardless of whether Covered Entity cures, it retains any right or remedy available at law, in equity, or under the Contract or Grant and *Business Associate* retains its responsibility for such failure.

15. Return/Destruction of PHI.

15.1 *Business Associate* in connection with the expiration or termination of the Contract or Grant shall return or destroy, at the discretion of the Covered Entity, *PHI* that *Business Associate* still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. *Business Associate* shall not retain any copies of *PHI*. *Business Associate* shall certify in writing and report to Covered Entity (1) when all *PHI* has been returned or destroyed and (2) that *Business Associate* does not continue to maintain any *PHI*. *Business Associate* is to provide this certification during this thirty (30) day period.

15.2 *Business Associate* shall report to Covered Entity any conditions that *Business Associate* believes make the return or destruction of *PHI* infeasible. *Business Associate* shall extend the protections of this Agreement to such *PHI* and limit further Uses and Disclosures to those purposes that make the return or destruction infeasible for so long as *Business Associate* maintains such *PHI*.

16. Penalties. *Business Associate* understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of *PHI* and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations.

17. Training. *Business Associate* understands its obligation to comply with the law and shall provide appropriate training and education to ensure compliance with this Agreement. If requested by Covered Entity, *Business Associate* shall participate in Covered Entity's training regarding the Use, Confidentiality, and Security of *PHI*; however, participation in such training shall not supplant nor relieve *Business Associate* of its obligations under this Agreement to independently assure compliance with the law and this Agreement.

18. Miscellaneous.

18.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the Contract or Grant, the terms of this Agreement shall govern with respect to its subject matter. Otherwise, the terms of the Contract or Grant continue in effect.

18.2 Each party shall cooperate with the other party to amend this Agreement from time to time as is necessary for such party to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA. This Agreement may not be amended, except by a writing signed by all parties hereto.

18.3 Any ambiguity in this Agreement shall be resolved to permit the parties to comply with the Privacy Rule, Security Rule, or any other standards promulgated under HIPAA.

18.4 In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule, Security Rule, and HITECH) in construing the meaning and effect of this Agreement.

18.5 *Business Associate* shall not have or claim any ownership of *PHI*.

18.6 *Business Associate* shall abide by the terms and conditions of this Agreement with respect to all *PHI* even if some of that information relates to specific services for which *Business Associate* may not be a “*Business Associate*” of Covered Entity under the Privacy Rule.

18.7 *Business Associate* is prohibited from directly or indirectly receiving any remuneration in exchange for an *Individual’s PHI*. *Business Associate* will refrain from marketing activities that would violate HIPAA, including specifically Section 13406 of the HITECH Act. *Reports* or data containing *PHI* may not be sold without Covered Entity’s or the affected *Individual’s* written consent.

18.8 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for *Business Associate* to return or destroy *PHI* as provided in Section 14.2 and (b) the obligation of *Business Associate* to provide an accounting of disclosures as set forth in Section 12 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.
