|--|--|
| <b>Applicant Name:</b>                 |  |
| <b>Applicant Town and Association:</b> |  |
| <b>Equipment Name/Type:</b>            |  |
| <b>Timeline of Equipment Use:</b>      |  |
| <b>Description of Equipment:</b>       |  |

By signing below the awardee certifies that they will temporarily borrow the above named equipment for the same use and intended purpose as outlined in the Aquatic Nuisance Control Manual under Availability of AIS Greeter Program I-Pads and Decontamination Units for the season. **The awardee is responsible for any maintenance/repair/ replacement of the equipment on loan by the State of Vermont. The awardee must alert the State if the equipment is malfunctioning immediately. The equipment will be returned to the State in the same condition it was provided to the awardee, perfectly, and fully functioning at the end of the season.**
